HISTORY OF THE JEANIE / STEPHEN AUDITIONS

The idea for Jeanie / Stephen Auditions was originated in December, 1951 by Mrs. Leon Whitehurst of Brooksville when a memorial to American composer Stephen Foster was built in White Springs on land donated by FFMC. These auditions were created to provide promising young female vocalists in Florida with scholarships to aid them in their music studies. Since 2006, male vocalists also are invited to compete in this event and be awarded the title of Stephen. The auditions are judged by qualified judges who select the finalists. The award titles and money are: Jeanie and Stephen with \$1,500 each and one Jeanie maid and one Stephen Runner-Up with \$1,000 each. The dress of contestants is in keeping with the 1850s. A Friday Evening Concert by the reigning Stephen and Jeanie is held on the eve of the competition to honor all singers and their families. Jeanie / Stephen Auditions are sponsored by the Florida Federation of Music Clubs Inc. and the Stephen Foster Folk Culture Center State Park in White Springs, Florida. These events are open to the public.

OLD FOLKS AT HOME Stephen Foster
Way down upon the Suwannee River, far, far away
There's where my heart is turning ever,
There's where the old folks stay.
All up and down the whole creation, sadly I roam,
Still longing for the old plantation,
And for the old folks at home.
All the world is sad and dreary everywhere I roam.
Oh! Loved ones how my heart grows weary,
Far from the old folks at home.

Adopted in 1935 as Florida's State Song
