Junior State Convention

The Florida Junior State Convention is a **Florida Federation of Music Clubs** event held annually following the Area Festivals. It is a competitive event with winner and honorable mention awards possible in each event. Entrants under 19 years of age as of March 1 of the Festival year and who have received a Superior rating in an event at the Area Festivals are eligible to attend the State Competition in that event. Teachers and Counselors must send applications and fees for the Junior State Convention by the published deadline date.

Juniors are required to enter the Junior Convention under the Junior Club teacher entered under for the Junior Festival auditions.

Teachers may not charge their students in excess of the entry fee established by FFMC. Teachers who charge an entry fee in excess of the established fee will have their membership suspended.

All entry forms for the Junior Convention must be typed or computer generated. Hand written applications will no longer be accepted. Teachers will be charged \$5.00 for an incorrect entry that is submitted on the Junior Convention application form.

Information pertaining to the Junior Convention will be published in the *Sharps and Flats* and online (www.ffmc-music.org). It is the responsibility of Counselors and Teachers to disseminate information regarding the Junior Convention to parents and Juniors. Any questions regarding the Junior Convention **must** be addressed to the State Junior Counselor by the teacher. Parents and Juniors are not to contact the State Junior Counselor.

The Junior Convention will be held in late April or early May.

With the exception of piano ensembles, solo classes of ensemble partners must be within three classes. In piano ensemble events, solo partners must be within two classes. The ensemble class may be no more than one level below the solo level of the lowest partner.

Piano Accompaniment Event

The Piano Accompaniment level will be the same as the solo level.

Hymn Playing

Only the hymn listed as the required piece at the Area Festival will be heard. (The choice piece in Class I-V also comes from the required list). In Primary levels, one verse of each hymn will be played as written. In Classes I-V, there will be an introduction, one verse, and a Plagal Amen only if one is written in the score.

American Patriotic/Folk Song Event

The American Patriotic/Folk Event will be limited to piano students.

Sight Playing

Juniors entering sight playing must enter solo events at the same class at the district level to qualify to compete at state level. The difficulty of sight reading material will be two levels below that of class entered.

Memory

All events require memory except hymn playing, organ, ensemble events, and piano accompanying. Only one (1) piano accompanying selection is required. One exception for memorization in ensemble events is in Am. Patriotic/Folk Song where memory is required.

Provide Copy of Score

An original score of the required composition must be provided for the judges. Hand copied music is prohibited. Electronically produced scores must include written permission from the publisher. No photocopied music will be allowed in the audition room unless accompanied by written permission from the publisher. Accompanists who use illegal photocopied music will result in the disqualification of the entrant.

Faithfulness To The Score

All events, including Hymn Playing, Patriotic/Folk Songs and Accompanying, require strict adherence to the score. Embellished accompaniments will result in disqualification.

Gold Cup Senior Concerto Scholarship Competition

This competition is open only to graduating Seniors. Seniors who enter the Gold Cup Senior Concerto Competition cannot enter the usual Senior Concerto event. Students must have participated in the Gold Cup program and earned at least one Gold Cup; it is not necessary to be a music major. This event may have imposed time limits if conditions require. The winner receives a cash award. Festival participation is required.

Connie Tuttle-Lill All Performance Event

Entrants who win first place in the highest event in any instrument or voice are eligible to enter All Performance for that event. Juniors that have qualified from more than one event may enter for each event in which they qualify. Entrants must enter with different

repertoire from the event in which they won and they may continue to enter for any event in which they qualify until they win for that event. The application the teacher makes to the Junior State Convention will indicate the junior's eligibility for the All Performance event. This event may have imposed time limits if conditions require. The winner receives a cash award. Festival participation is not required.

Irene Muir Memorial Award

Judges may nominate any Junior of extraordinary talent and potential, any age, any instrument or voice, to compete at the close of the Junior Convention for a cash award. Since these nominations are made by the judges, names of the nominees will be posted at the Registration area. A Junior who has won previously is **not** eligible to compete again.

Gold Cup Senior Concerto Scholarship, Connie Tuttle-Lill All Performance and Irene Muir Events

There are no Honorable Mentions.

Winners and Honorable Mention Awards

Announcement of awards in all events will be made at the Awards Ceremony. Judges are not required to name a winner in every event but may name one winner and one honorable mention for every 15 entrants (or any fraction thereof) in each class. Upon the request of the judges, additional honorable mentions may be awarded with the approval of the FFMC State President, State Junior Counselor and State Festival Chairman.

Winners

Winners in any event may not enter the same class again but may enter a higher classification.

Scholarship Award Winners

All first place Scholarship Award Winners will be asked to perform in concert at the Junior convention the year following their awards. Scholarship Award Winners who perform in concert must be enrolled for the current Junior Convention. In events that have more than one scholarship award, the highest class will be invited to perform.

Interrupting Auditions

Teachers who interrupt an audition or will not permit a Junior to audition, unless the teacher is present, will result in the disqualification of that Junior.

Conferring With Judges

No teacher, parent, or entrant may confer with the judges nor may the judges talk to the entrants or teachers. Talking to the judges or making audible comments during or between performances will result in being asked to leave the room, or, in extreme cases, disqualification of the entrant.
